

DELICIOUS PAELLA AND INFOMATIVE PLACARDS- GUESTS SUCCESSFULLY TOOK PLEASURE IN SPANISH STAND

The Spanish groups from the 9th and 11th grade presented their results about cities in Spain and South America in the school yard in which Spanish is spoken mainly. Furthermore, a part of the students made a Spanish Paella with Señor Fernández and Señor Hirt. Quickly, students, teachers as well as parents flocked out to the well-smelling Paella which was not ready yet, the

“Hungries“ waited for a while because the smell of the Paella was “awesome“. As we all know, the Paella was very tasty that two big pans were empty in no time. The cooking of the 3d pan has began but it was too late, so that almost no guests came. This was a good chance for the teachers to eat the Paella all alone.
