A SONG

(Lyrics by Mina and Luna, forms IV an V BL)

The best of you

Always, wherever, with everyone Just do it

Give your best to the world

Your efforts are not worthless

Don t think so

Even though people hurts you

No matter

Keep givin your love to others

And when you do it

And they may say:

Com on

He has just a hidden purpose

No matter,

Keep going on.

And if you have a goal to reach

Hurdles you Il find in your way

But it doesn t matter

Keep going on

Even though it will be forgotten

Keep going on

Even though you won t have thanks

Keep going on

Give your best to the world

Your best reward will be joy and happiness

Give your best to the world

Never think your efforts are worthless

Give your best

The best of you

Ya baby to the world.
