

Buffy: the Vampire Slayer

The character: Buffy Summers

Buffy is a normal teenage girl, except for one thing- she's the **SLAYER**.

The slayer is a girl who is born with the strength and skill to hunt vampires. It's very difficult for Buffy to have a normal social life when she spends most evenings out killing vampires. But luckily she has good friends and a sense of humour which help her.

The actor: Sarah Michelle Gellar

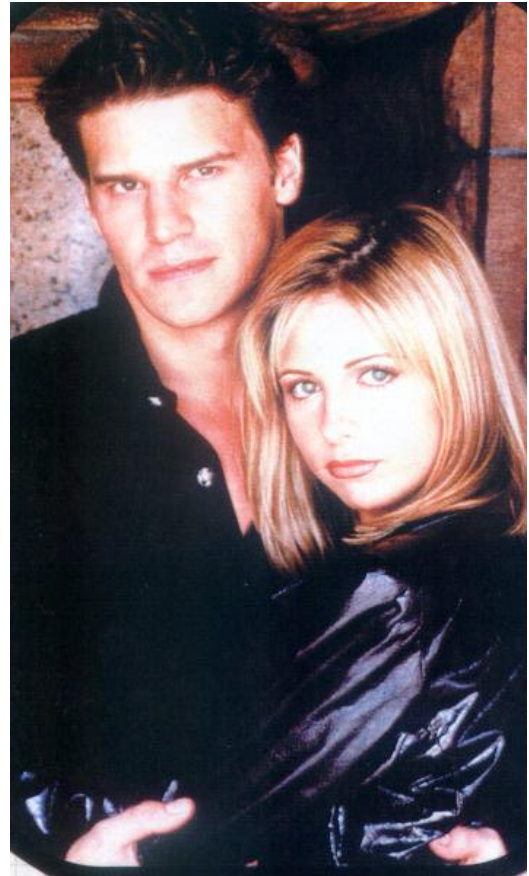

BORN: April 14, 1977

FAMILY: No brothers or sisters

PETS: A rabbit

HOBBIES: Training at the gym, ice skating, scuba diving, kickboxing, shopping

The character: Angel

Angel is more than 200 years old. After becoming a vampire he killing lots of people all over Europe. One hundred years ago, he had killing a young girl. Her parents cursed him by giving him back his soul. Vampires don't have a soul and therefore they don't feel sorry for the bad things they do. After he had killed so many people, to have his soul returned was the worst punishment for Angel. Angel moved to the USA and stopped killing people. He survived on blood bags that he kept in his fridge. Buffy and Angel fell in love but their relationship hasn't been easy. Angel is now the star of his own TV show, Angel.
